DENPLAN PATIENTS

At your next examination appointment you may be asked to fill out a DEPPA (A Denplan PreViser Patient Assessment), which scores your oral health and also helps you understand your individual future risk of gum disease, tooth decay and mouth cancer.

Practice News

Last month, dentist Peter Coster left the practice. Now off to pastures new, we wish him well in his career.

At the beginning of March the practice took part in a Denplan bowling event, taking a respectable 3rd place.

In June, the girls are taking part in the 'Race for Life' on Sunday 14th June 2015. We wish them luck, all for a great cause.
